

Accessibility Policy for Bluvelt

Effective Date: August 20, 2025

Bluvolt is committed to ensuring digital accessibility for all users, including individuals with disabilities. We strive to provide an inclusive and user-friendly experience across our website, services, and communications.

1. Our Commitment

We aim to comply with applicable accessibility standards, including:

- Web Content Accessibility Guidelines (WCAG) 2.1, Level AA
- Americans with Disabilities Act (ADA)
- Section 508 of the Rehabilitation Act

Our goal is to make our digital content accessible to the widest possible audience.

2. Accessibility Features

We implement the following features to support accessibility:

- Keyboard navigability across our website
- Text alternatives for non-text content (e.g., images, icons)
- Clear and consistent navigation
- Sufficient color contrast and scalable text
- Compatibility with screen readers and assistive technologies

3. Ongoing Improvements

Accessibility is an ongoing effort. We regularly:

- Audit our website and services for accessibility compliance
- Train staff on inclusive design and development practices
- Seek feedback from users to identify and resolve accessibility barriers

4. Third-Party Content

While we strive to ensure accessibility across all content, some third-party tools or integrations may not fully meet our standards. We encourage vendors and partners to follow accessibility best practices.

5. Feedback and Support

If you experience any difficulty accessing our website or services, or have suggestions for improvement, please contact us:

Accessibility Coordinator

Email: [Insert Contact Email]

Phone: [Insert Contact Number]

Mailing Address: [Insert Business Address]

We will respond promptly and work to resolve any issues.

6. Policy Updates

This Accessibility Policy may be updated periodically to reflect changes in standards, technology, or our practices. Updates will be posted on this page with a revised effective date.
